AI SALES AGENT

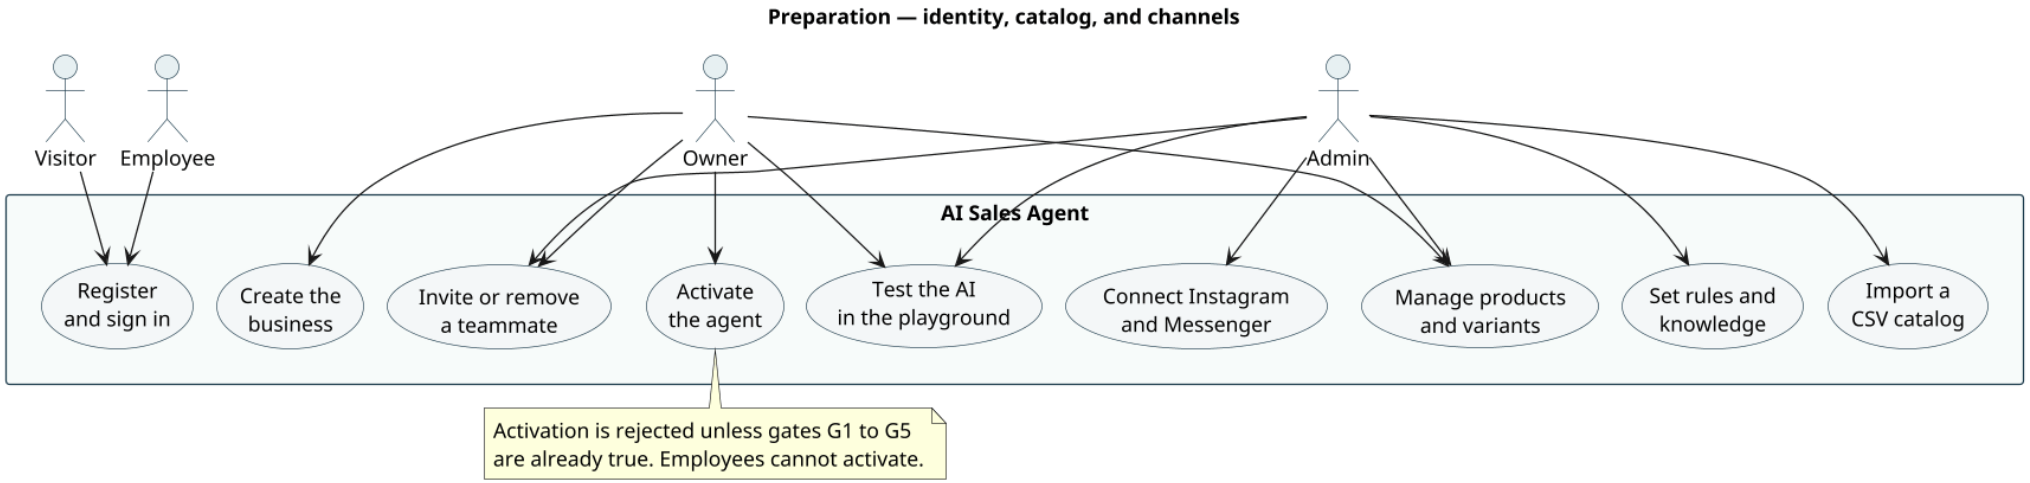

Use case diagrams

Actors and the principal use cases for preparation, the daily sales loop, and oversight.

Phase 1 MVP · 21 October 2026 · Prepared from the canonical documents in docs/

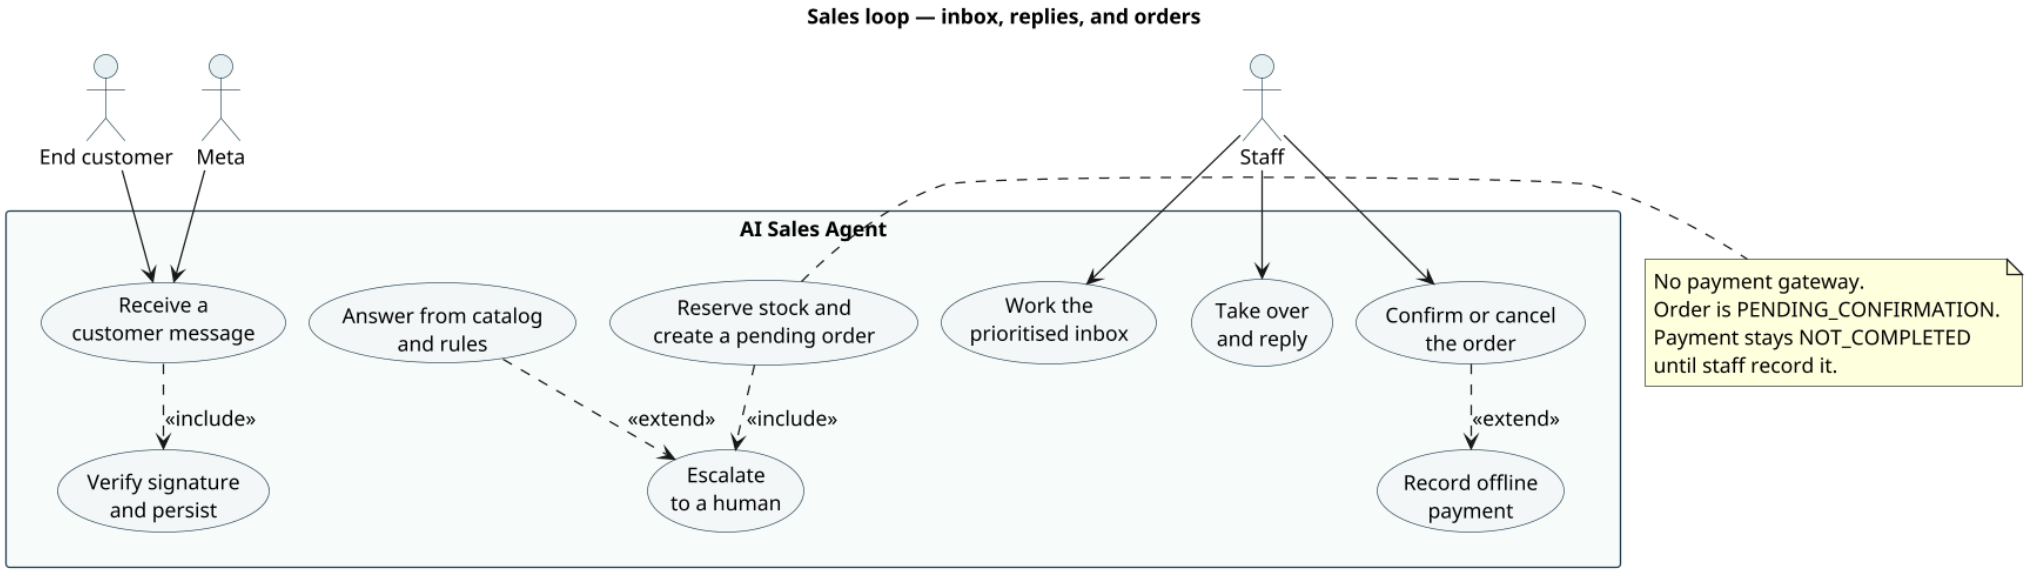

Preparation

Identity, catalog, channel connection, and activation. Source: `submission/sources/diagram-source-files/01-use-case-onboarding.puml`.

Sales loop

Inbound handling, escalation, the inbox, and orders. Source: `submission/sources/diagram-source-files/02-use-case-inbox-commerce.puml`.

Oversight

Customers, the four KPIs, AI control, and plan limits. Source: `submission/sources/diagram-source-files/03-use-case-platform.puml`.
